

## POLICY OF SAFETY AND QUALITY

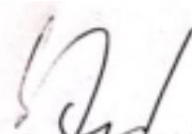

**VIÑA MONTPELLIER S.A** Its purpose is the development of concentrated grape juice of the highest quality, capable of satisfying the needs of our customers, thus achieving long-term sustainability.

To this end, Senior Management is committed to:

- 1) Producing innocuous and competitive juice concentrated in the markets, guaranteeing compliance with the applicable legal and regulatory requirements and others that Viñas Montpellier SA subscribes to.
- 2) Integrate and train the staff continuously, to achieve the development of their skills and encourage teamwork, also ensuring that they have the necessary skills to achieve safe products.
- 3) Satisfy the mutually agreed requirements with our clients.
- 4) Establish effective communication channels with all its customers and suppliers, both external and internal.
- 5) Ensure the continuous improvement of the Safety Management System, achieving the objectives and goals established.

The achievement of these objectives is based on our commitment to provide all the necessary resources to achieve the required safety and quality, developing a Safety Management System of strict compliance in all the areas involved.
